| 13. Counter Clockwise Triple | 26. Steady On |

Warning: Avoid looking directly at LEDs while they are in operation. Doing so may result in temporary vision impairment or permanent eye damage.

It is not recommended to use magnetically mounted warning devices on vehicles as a permanent addition, magnetically mounted warning devices are designed for temporary usage. The device may become dislodged while the vehicle is moving at speed, posing a risk of damage to the vehicle or injury to people nearby.
