

Product Specification

C-KO-FHD670-170 1080p Strip Camera

C-KO-FHD670-170

PRODUCT OVERVIEW

The Full HD 1080p Rear Number Plate Camera with built-in microphone offers night vision capability through 4 high-powered infrared LEDs, allowing you to capture footage in low light environments. The camera, with mirrored image, can be easily adjusted (vertically) to find the optimal viewing angle. The solution is connected via 4-pin aviation and operates on an AHD System.

SPECIFICATIONS
